

**Optical Surface Limited**  
**QUALITY ASSURANCE MANUAL**  
**1 - Quality Policy**

---

Author: W. HARRIS

Approved: 

Date: 26th JUNE 2018

---

Our policy is to produce optical products to customer requirements, to be responsive to customer requests and, where appropriate, supporting our customers in their development of specifications.

We will achieve this by operating a management system meeting the requirements of ISO 9001, ensuring our staff have the necessary skills and equipment to achieve the objectives set by top management.

We are committed to complying with all applicable requirements and continually improving our quality management system and its performance.

Signed.....

Managing Director  
Optical Surfaces Limited
